

Give Your Preacher

# THE TEST

By Thomas A. Robb

I know your preacher is a nice guy! There is absolutely no doubt in my mind that he is a caring person. He proclaims his love for the Lord, and he preaches strong sermons about the wonderful change that Jesus can make in a person's life.

You probably have known him a long time. Perhaps he has been to your home for dinner, or you to his home. He has a nice wife and family. He has a disciplined Christian life. He actually *walks the walk!*

That is certainly refreshing in a world full of plastic people who have an outer veneer that does not truly reveal the inner man.

So here is what we have: A nice preacher, a nice father, a nice husband. A nice preacher who proclaims his love for the Lord and it appears it is genuine. A nice preacher you have known a long time. A nice preacher that is not only a good preacher, but he is also a good friend. But is that good enough? Really what else can you ask for? Everyone absolutely adores his Christian boldness, his humble spirit and his commitment to wholesome Christian living.

But are you willing to take a deeper look?

It is hard to break off a good friendship. But are you prepared to do it or is the friendship of the world more important?

In the legal profession there is what is called "*Judicial Notice*."

Here is the explanation of Judicial Notice.

*Judicial notice is a rule of law that permits a party to ask the court to accept as fact something that is so widely known that no one would dispute it. What this means is that, if judicial notice is granted, the court will accept the fact as true without the need for any proof that it is, in fact, true.*

Simply put, in a trial I would not have to prove fire is hot. The judge could declare with "judicial notice" that everyone already knows fire is hot. So, I would not be required to PROVE it.

With that being said, I believe we can safely say, *with Judicial Notice*, that it is obvious to

anyone with two functioning brain cells and one open eye that there is an attempt to genocide the white race.

I think you know this is true and that is why you are a friend and supporter of this ministry.

Genociding the white race (Israel) is an important tactic used by the Satanic rebellion. I have to be brief, but I will cover this in more depth in my new book *The Trap*.

What I want you to understand right now is that the One World Church is powerfully deceptive. It doesn't look evil at all. That is why it is able to deceive so many. *The One*

*World Church* looks like the real thing. It sounds like the real thing. It even *feels* like the real thing.

It doesn't have horns.

It looks nice! It sounds nice! And it *feels* nice!

In fact, the One World Church **IS** nice!

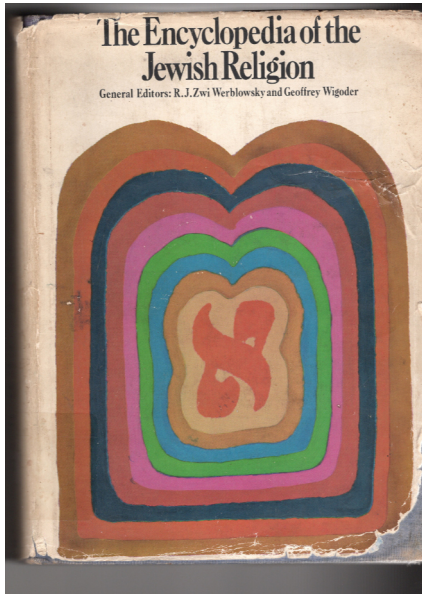

It is beyond suspect!

It is SO nice that it can fool even the most devout Christian.

But it is actually quite **easy** to detect. All you must do is give it THE TEST!

The One World Church is under the influence of the Pharisees. I know that we don't think of Pharisees in today's culture. But

Pharisee was only a name given to the enemies of Jesus Christ at that time. The Jewish Encyclopedia of the Jewish Religion (1965) which I have in my library clearly identifies *Pharisaism* with modern Judaism. This

Encyclopedia is the product of an impressive array of Jewish scholars. I could list their names, but it would mean nothing to you.

Under the heading Pharisees it says: "*The Pharisaic line was continued by*

*Talmudic and later rabbis, who together form the tradition of rabbinic Judaism, so that the entire subsequent development of Judaism bears the indelible stamp of Pharisaism.*"

Why is this important? Because it clearly shows the evil teachings of the Pharisees is still being taught in modern Judaism and in their Jewish temples, schools and synagogues.

Christians mistakenly believe that they are somehow protected by the Holy Spirit so they will not be deceived.

But I am not sure that is true. For example, in Matt 16:6-12 Jesus Christ is concerned that His own disciples could come under the power of deception. So, in verse 6 he says, "*Take heed and beware of the leaven of the Pharisees and of the Sadducees.*" The next few verses show their confusion of not knowing what Jesus meant. Then in verse 11 he tells them,

*"How is it that ye do not understand that I spake it not to you concerning bread, that ye should beware of the*

*leaven of the Pharisees and of the Sadducees? Then understood they how that he bade them not beware of the leaven of bread, but of the doctrine [teachings] of the Pharisees and of the Sadducees."*

It are those teachings which plague us today. And the principle destructive teachings of the Pharisees is the doctrine of *tolerance*!

TOLERANCE is the "*WIDE gate, and broad way, that leadeth to destruction,*" Matt.7:13.

The One World Church is the vehicle of the Satanic Rebellion, and it has pounded this doctrine of tolerance into our heads day and night since we were children.

But tolerance doesn't look evil. At least not in the way it is presented to us. Tolerance is loving! Tolerance is kind! Tolerance is nice!

It is what the world needs! Like the song from the 1960s declares,

"What the world needs now is love, sweet love. It's the only thing that there's just too little of. What the world needs now is love, sweet love. No, not just for some but for everyone."

My goodness, who can be against LOVE! The mantra we always hear from the left is LOVE WINS! This is supposed to shut down all opposition.

The One World Church has fused this passion of tolerance and love into the minds of every church goer in America. It is like its on a continuous loop, playing again and again and again off the lips of every preacher in America.

And of course the preacher will push this Satanic teaching of tolerance because he is a nice preacher with a nice family, he comes over for dinner and he's a good friend. You wouldn't attend his church services if he wasn't nice - would you? He actually doesn't know any better because he is a victim of the One World Church also.

He probably has no idea that he could be a

preacher for the One World Church? You won't know for sure until he takes THE TEST!

You may be thinking, there is no way he could be a part of the One World Church, because he is a sincere, Bible believing, born again, spirit filled man of God.

But remember, Jesus was concerned that even His own disciples could be deceived by the teachings of the Pharisees. So certainly - it is possible!

**But you won't know until he takes THE TEST! The test is *very easy*. And it can be done in less than a minute!**

### **NOTE!**

**Tolerance is the poison of the Satanic rebellion.**

**The One World Church is the vehicle that by deception injects the poison into unsuspecting Christians.**

**White Genocide is the objective of the Satanic Rebellion.**

Most of you are aware that God made a Covenant with Abraham, Gen 12, 17. This covenant is as enduring as the sun, moon and stars, Jeremiah 31. The whole integrity of God rests upon his *willingness* and or *ability* to keep the covenant.

If He fails in the keeping of the Covenant, either by being unwilling or being unable than the integrity of God is shattered and Satan wins the rebellion by default.

The Satanic Rebellion hates White Christians. We see the intensity of this hatred growing every day. The massive flood of nonwhites into America (and Europe) is for the purpose of bringing about White Genocide. Certainly, if you have two active brain cells and one open eye you know this to be true. And the promotion of this white genocide is coming from politicians, media, schools *and* the

churches.

So the simple test goes like this.

*1) Ask your preacher if he believes race-mixing is a sin.*

If you are afraid to ask him, it may be that you are afraid of what his answer may be.

But good friend or not, he is giving the spiritual guidance you and your children need in this matter. So, ask him!

It's important!

If he says "No" then you need to get out of that church *immediately*.

And diffidently do not give any contributions to that church. Why would you financially support something or someone that is promoting White Genocide? You may be saying, "*He is not actually promoting white genocide - he is a good man, and he just doesn't know.*"

That's right - the One World Church has deceived him. Are you going to help him spread his deception?

Now here is where you have to be on guard! Remember Jesus told his disciples to "beware," be "on guard!"

If he says "yes!" race-mixing is a sin. That is good - he may have passed the test. But then again maybe he is saying that only because he thinks this is what you want to hear.

So if he says "*Yes - race-mixing (miscegenation) is a sin.*"

*2) Then ask him to preach a sermon on the sin of race-mixing next Sunday at church.*

He preaches against other sins - doesn't he? So he should be warning and teaching about this sin also.

Or is he afraid?

If he is afraid, then you need to seriously consider what is more important: your relationship to this preacher (possibly a friend) or your relationship to the Lord and truth. If you continue attending that church, and financially supporting that church then you certainly must realize that you are supporting the One World Church and helping to spread its message of White Genocide to others. **END**
